The following remarks are submitted with reference to the rules

Rule 4. Lays down that the drivers licence shall not be granted to any person who is less than 18 years of age though the rules do not specifically state that no person without a drivers licence shall act as a driver

The rules require the owner to consignee shall also hold a valid to be allowed a man to drive without a

Rule 5 The pencil addition at the beginning is proposed to make the rule clear

Rule 5(e) The inhabitants of Chittaldrug urge that half an hour prescribed in the Rule is not enough for their purpose So it is proposed to introduce the words "it is absolutely necessary to unload their Contents" which may not be more than ½ hr

Rule 6 (8) The rule as it is makes it obligatory on the President or other Officer to inspect the Conveyances and animals although what is really intended is that the owners or licence holders shall not refuse to allow inspection hence the words 'allowed to be' are proposed to be inserted between 'be' and inspected The words 'used by them' appear to serve no purpose and are therefore proposed to be omitted.
